

Rate Voltage	250/440VAC
Operating Frequency	50/60Hz
Test Voltage(1min)	1500VDC (line/line) 2250VDC (line/ground)
Climatic Category	40/085/21
Rated Current	10A
Ground Capacitance	47nF
Discharge Resistance	440K

Technical drawings of the 1000 Series 1/2" (12.5mm) pressure washer. The left drawing is a side view showing dimensions: A (overall length), B (body length), C (total length including wheels), D (height), E (height of the handle), F (height of the trigger gun), G (height of the spray lance), H (width of the base), I (width of the handle), J (width of the trigger gun), K (width of the spray lance), L (width of the trigger gun), M (width of the handle), N (width of the spray lance), O (width of the trigger gun), P (width of the spray lance), Q (width of the trigger gun), R (width of the spray lance), S (width of the trigger gun), T (width of the spray lance), U (width of the trigger gun), V (width of the spray lance), W (width of the trigger gun), X (width of the spray lance), Y (width of the trigger gun), Z (width of the spray lance).
